Unlikely Weapons

Summary: This collection of weapons is meant to be dryly funny, reflecting the tone of a comedic survival game. Since the game is imagined, damage and other effects of the weapons are made up, but would be refined in a real game. (Art was also designed by Andrea Blythe.)

	**Stick**	**DMG: 8**	It's a stick. You can hit people with it. Breaks instantly.
	**Sheet of Paper**	**DMG:** 1x1,000	Enables "Death by a Thousand PaperCuts" — but it's going to take a while.
	**Chewed Gum**	**CC:** 30 s **POIS:** 2	Wet, sticky, and spit-soaked. Bind and disgust your foes.
	**Pen**	**DMG:** 12	Mightier than the sword — unless you run into someone with an actual sword.
	**Pink Eraser**	**DMG:** 25	Wipe out all your mistakes — your ignorance, your lies, your enemies.
	**Spork**	**DMG:** 4 **BLK:** 3	Prongs for stabbing. Scoop-shaped shield for defense. Not the best of either.
